Login info on phones page:

User: admin Password: 123456

To use the site, you can either search on the homepage for key words (i.e. Samsung, Galaxy, S8) or click on the phones page to view the entire database. Once you click on a phone, it will redirect you and allow you to see more information about that phone's specific update. You can also log in using the above information to delete phones from the database. On the contact page, you can fill out information and send an email to us.
